Faith Statement

We believe the Holy Bible (the Old and New Testaments) is the inspired Word of God without error.

We believe in the one true God, maker of Heaven and Earth, who exists as the Father, the Son (Jesus Christ), and the Holy Spirit.

We believe God provides salvation for all who believe in the sacrifice of Christ, turn from their sin and accept His free offer of forgiveness.

We believe God uses our painful experiences to help others therefore our pain is not in vain. He helps us to comfort others in the way He has comforted us.

We believe in the healing power of God's love.

We believe God will guide and strengthen us through difficult times.

We believe that all people should be free from oppression, fear, and abuse.

We believe in God's mandate to care for the widows, orphans, and the oppressed, which domestic violence produces.

We believe in wise stewardship of finances, time and talents.
